

This Man

Robert Cray

Who is this man
In our house
Who is this man
Better get him out
We've got a problem
He's gotta go
He don't leave
Can't live here no more
If we wanna save our home
We need to get him out

When I come home from work
There he is again
Talkin' loud, talkin' trash
And it's always something bout him
Every things out of place
It just don't belong
Can't get no sleep
Cause he's up on the phone
If we wanna save our home
We need to get him out

Who is this man
In our house
Who is this man
We need to get him out
He had to have help
How the hell he'd get in
Now he's walking around
Like he's a big king
If we're gonna save our home
We need to get him out

Get him out
Get him out
Get him out
You'd better get him out
Get him out
Get him out
We need to get him out
Get him out
Get him out
Get him out
Need to get him out
Get him out
Get him out
Get him out
Get him out
We need to get him out
Get him out
Get him out
Oh, we need to get him out
Get him out
Get him out
Get him, get him out
Get him out
Get him out
