# Who's Been Talkin'

**Robert Cray**

My baby caught the train
And she left me all alone
My baby caught the train
And she left me all alone
She knows that I love here
But she's doing me wrong

My baby bought the ticket
Along as my right arm
My baby bought the ticket
Along as my right arm
She says she's gonna write
As long as I've been away from home

Now who's been talking
Everything I do
Who's been talking?
Everything I do
You is my baby,
That I'd hate to lose

Now goodbye, babe
I hate to see you go
Goodbye, baby
I hate to see you go
You know that I love you
But I'm the causin' of it all

I'm the causin' of it all
I'm the causin' of it all

You know that I love you
But I'm the causin' of it all
Mmmmmmm
Mmmmmmm
Mmmmmmm
Mmmmmmm
Mmmmmmm
Mmmmmmm
