

You're the One

Robert Cray

You're the one that I adore
You're the one that I adore
But, oh, oh, darling
You're the one
You're the one that I adore

You're the one that satisfies
You're the one that satisfies
But, oh, oh darling
You're the one
You're the one that I adore

Nobody knows all the trouble I've seen
Nobody but you
And that makes you
You the one that I adore
You're the one everybody knows
But, oh, oh, darling
You're the one
You're the one that I adore

Nobody knows all the trouble I've seen
Nobody, nobody but you
And that makes you
You're the one that I adore
You're the one and everybody knows
But, oh, oh darling
Yeah, yeah, yeah, yeah, yeah
You're the one I adore
