

Deserve It All

Robert DeLong

Me lo merezco yo
Me lo merezco yo
Me lo merezco yo

Te mando
Te mando yo

I don't wanna be gatekeeped
Want someone to get me
Up and over the moon

Don't believe in your satan
But I wanna take him
Up on getting my due

Cause I know I deserve it
All your love and praise
All the drugs and money
They all will come my way

I deserve it all
I deserve it all
I deserve it all
I deserve it all

They say that we deserve all that we get
But I'm not getting what I want out of this life
Feels like I'm spinning my wheels in the shit
And I'm not getting anywhere anymore

Ain't got the time to wait on you
Anymore
Ain't got the time to wait on you

Despierto mañana
Despierto mañana
No me puedo tomar todo con calma

Brindo para que me sueltes hoy villana
Tu ya no me puedes detener ni la cara

I know I deserve it
All these looping thoughts
All these plans uncertain
I paid for what I got

I deserve it all
I deserve it all
I deserve it all
I deserve it all

Ni la cara, ni la cara

They say that we deserve all that we get
But I'm not getting what I want out of this life
Feels like I'm spinning my wheels in the shit
And I'm not getting anywhere anymore

Ain't got the time to wait on you
Anymore
Ain't got the time to wait on you
Ain't got the time to wait on you
Anymore
Ain't got the time to wait on you

Me lo merezco yo
Me lo merezco yo
Me lo merezco yo

Te mando
Te mando yo

Me lo merezco yo
Me lo merezco yo
Me lo merezco yo

Te mando
Te mando yo
