

# Jealousy

Robert DeLong

Twist your tiny lies into the truth  
Spinning a web with your fantasies  
Turn your doubtful eyes back onto you  
You're pushing me out with your jealousy  
You're pushing me out with your jealousy

In the corner I saw you with that fateful face  
Heard you preaching the gospel that you helped to shape  
Wedging it all together, making the pieces fit  
But I don't buy a piece of it  
Selling your speculation, mint your counterfeit  
You got me I must admit

Twist your tiny lies into the truth  
Spinning a web with your fantasies  
Turn your doubtful eyes back onto you  
You're pushing me out with your jealousy  
You're pushing me out with your jealousy  
You're pushing me out with your jealousy

In the future I'll see you coming from afar  
You'll get closer and I'll forget just what you are  
Wedging it all together, make the pieces fit  
And I'll buy every piece of it  
Selling your speculation, mint your counterfeit  
You got me I must admit

Twist your tiny lies into the truth  
Spinning a web with your fantasies  
Turn your doubtful eyes back onto you  
You're pushing me out with your jealousy  
You're pushing me out with your jealousy  
You're pushing me out with your jealousy

I've had enough of what you've been telling me  
You're pushing me out  
You're pushing me out  
You're pushing me out with your jealousy

Twist your tiny lies into the truth  
Spinning a web with your fantasies  
Turn your doubtful eyes back onto you  
You're pushing me out with your jealousy  
Twist your tiny lies into the truth  
Spinning a web with your fantasies  
Turn your doubtful eyes back onto you  
You're pushing me out with your jealousy
