

soft boy

Robert DeLong

I tow the line
Do what I'm told most of the time
Just legal highs
Getting too old for petty crimes

And don't you try
To start a fight
With me tonight
I'm not that guy
Who wants to brawl

I don't wanna be a
Nice guy causality
But I'm not blind to see
The truth about me

I'm just a soft boy
Living in a metal hard world
That's chewing my feelings like a dog toy
And yeah, I 'care cause I'm soft boy

Yeah, it's strange
That live and let live makes me a chump
I'm given love, people to please
It's not enough

Good energy won't get the top
No one to trust
Need villainy to have it all

Live inside a dream
The world does not believe in
Good vibes, fantasies
And livin' easy

I'm just a soft boy
Living in a metal hard world
Sip on urban dread like it's a tall boy
And yeah, I 'care cause I'm a soft boy

I'm feelin' low
'Cause everyone's mean
That's all I know
Will you look at me?
I hope you don't
I hope you don't

I'm just a soft boy
Living in a metal hard world
That's chewing my feelings like a dog toy
And yeah, I care 'cause I'm soft boy

I'm just a soft boy
Living in a metal hard world
Sip on urban dread like it's a tall boy
And yeah, I care 'cause I'm a soft boy
