

## Three Jumpers

Robert Finley

Three jumpers on the corner told me  
I'd be a king someday  
If that's a dagger there before me  
Somebody's got hell to pay  
Hell to pay...

Been the king 'round here forever  
'Cause I always draw first blood  
You know I would do whatever  
To keep my throne lookin' good  
Lookin' good...

If you wanna be my queen  
You gotta give yourself to me  
I'll make your life like a dream  
And I'll treat you like royalty  
Royalty...
