

# Better Than I Imagined

Robert Glasper

Passive past it  
I been thinking about mad shit  
Happened action  
Baby we never lasted  
Magic madness  
Maybe you was just gassing  
But it was better than I imagined  
Drastic acting  
To you we was just practice  
Sadness mask it  
Hated you with a passion  
Had it granted  
Baby I didn't cap it  
'Cause it was better than I imagined

Thought it'd be worse  
'Cause it hurts me  
But still I can't  
See myself with no one else  
'Cause it was better than I imagined  
Better than I imagined

Trust me love me  
No I could never make you  
Stay true hate to say it  
But it's too late my expectations  
Too low you can't relate to  
Baby but I don't blame you  
Baby you were the one I always escaped to  
Day two replace you  
Maybe I'm just afraid to  
Call you  
Need you to tell me if it's okay to  
Is it okay I

Thought it'd be worse  
'Cause it hurts me  
But still I can't  
See myself with no one else  
'Cause it was better than imagined  
Better than imagined  
'Cause it was better than I imagined  
Better than I imagined

In a scramble to get a flight  
I lost my phone and  
I'm calling you from the hotel phone  
I couldn't get a flight back to the states  
I realize you're the only number  
I know by heart  
Last time I was here  
We were together, remember?  
I tried to tell you  
How I felt  
I  
Then you stopped me, you were  
Then you said

Don't ruin it  
Because this is better  
Than I could have ever imagined  
I hope you're okay staying inside  
I hope you're not lonely  
And I'll call again maybe you'll answer

Because this is better  
Than I could have ever imagined
