

I'm Leaving You

Robert Gasper

Wait a minute
Wait a minute

Nowadays it seems you got your own agenda
I don't see you no more you're just a pretender
Your mind is on someone else
You don't really need my help
You don't have to say a word
How you acting I can hear how you talking

I'm leaving you
Wait a minute
Wait a minute
I don't wanna do it no more
I'm leaving you
Wait a minute
Wait a minute
It's over
I'm leaving you
I don't wanna do it no more
Wait a minute
Wait a minute
It's over

Didn't think I'd see her lipstick
On your collar
All the late night phone calls to you
Every hour
Hey don't be lurking in the dark
I don't want you no more
Do me a favour delete my number
Here you go leave it babe

I'm leaving you
Wait a minute
Wait a minute
I don't wanna do it no more
I'm leaving you
Wait a minute
Wait a minute
It's over
I'm leaving you
I don't wanna do it no more
Wait a minute
Wait a minute
It's over
I'm leaving you
Wait a minute
Wait a minute
I don't wanna do it no more
I'm leaving you
Wait a minute
Wait a minute
It's over
I'm leaving you
I don't wanna do it no more
Wait a minute

Wait a minute
It's over
