

# Let's Fall In Love

Robert Glasper

Exposure around us  
But I'm not ready to let go  
Of what's meant to be  
I love you, your heart's meant for me  
I'm sorry, I'm saving  
I'm sorry, I'm saving

My actions show that [?]  
The pain that caused you and me  
Now we need some time  
Time to get back to life  
I love you and I'm trying to make you mine

It's nothing for you  
Nothing for me  
Nothing for us  
Let's fall in love  
Let's fall in love again

It's nothing for you  
Nothing for me  
Nothing for us  
Let's fall in love  
Let's fall in love again

I did some things I can't explain  
I'm sorry that I put you through  
I'm so intense  
And ever since  
I'm closer and closer to you

I'm falling for you come fall for me  
And the first time that I made you weak  
Forgive me, forgive me

My actions showed out to be  
The pain that caused you and me  
Now we need some time  
Time to get back to life  
I love you and I'm trying to make you mine

It's nothing for you  
Nothing for me  
Nothing for us  
Let's fall in love  
Let's fall in love again

It's nothing for you  
Nothing for me  
Nothing for us  
Let's fall in love  
Let's fall in love again

Again

It's nothing for you  
Nothing for me

Nothing for us  
Let's fall in love  
Let's fall in love again

It's nothing for you  
Nothing for me  
Nothing for us  
Let's fall in love  
Let's fall in love

It's nothing for you  
Nothing for me  
Nothing for us  
Let's fall in love  
Let's fall in love again

It's nothing for you  
Nothing for me  
Nothing for us  
Let's fall in love  
Let's fall in love again
