

Out Of My Hands

Robert Glasper

No matter what I do, you ain't gonna be satisfied
Could have the sun complaining that it's not enough light
You're never gonna give in no matter how hard I try
Is it wrong to feel this way, I'm feeling like we need a change

You know that I'm tired, tired, tired, tired
Who we fooling? Tell me, who we kidding?
Work it out and help me fix it
If you're not in love, let's stop pretending
You know that I'm tired, tired, tired, tired
We done been through a lot, it's true
And I'll always love you, you know I do

I would rather stay and fight for you (Oh, oh)
Either way it goes, it's up to you (Tell me)

What am I supposed to do?
It's out of my hands now
Nothing more left to prove
It's out of my hands now

Said I'd never give up on us (Didn't I, didn't I, didn't I, didn't I)
Gave you everything you wanted (Didn't I, didn't I)
What am I supposed to do?
It's out of my hands now

So many things about this I just don't like
It's like its too far gone to fix, can't seem to make it right
I finally realize
You were never willing to give it, to take is all you intended

I'm tired, tired, tired, tired
Who we fooling? Tell me, who we kidding?
Work it out and help me fix it
If you're not in love, then stop pretending
I'm tired, tired, tired, tired
We done been through a lot, it's true
And I'll always love you, you know I do

I would rather stay and fight for you (Oh, oh)
Either way it goes, it's up to you (Tell me)

What am I supposed to do?
It's out of my hands now (It's out of my hands now)
Nothing more left to prove (Prove)
It's out of my hands now

Said I'd never give up on us (Didn't I, didn't I, didn't I, didn't I)
Gave you everything you wanted (Didn't I, didn't I)
What am I supposed to do?
It's out of my hands now (It's out of my hands now)

This can only be good as we make it
We can be as happy as you want
But that ain't what you want, no no

Tell me, what am I supposed to do?

It's out of my hands now (It's out of my hands now)
Nothing more left to prove (Prove, prove, yeah)
It's out of my hands now

Said I'd never give up on us (Didn't I, didn't I, didn't I, didn't I)
Gave you everything you wanted (Didn't I, didn't I)
What am I supposed to do?
It's out of my hands now

I wanted to love you
(Out of my, out of my, out of my hands, it's out of my hands
But it's out of my hands
(Out of my, out of my, out of my hands, it's out of my hands)
Be there for you
(Out of my, out of my, out of my hands, it's out of my hands)
But it's out of my hands
(Out of my, out of my, out of my hands, it's out of my hands)

Out of my hands (Out of my-)
Out of my hands (Out of my hands)
It's out of my hands
Out of my, out of my, out of my hands, it's out of my hands (See I tried to
love you)
Out of my, out of my, out of my hands, it's out of my hands (And be there fo
r you)
Out of my, out of my, out of my hands, it's out of my hands (I gave you my a
ll)
Out of my, out of my, out of my hands, it's out of my hands (Oh)

It's out of my hands, out of my, out of my, out of my hands
It's out of my hands, out of my, out of my, out of my hands
Out of my hands, out of my, out of my, out of my hands
It's out of my hands, out of my, out of my, out of my hands
Out of my hands, out of my, out of my, out of my hands
Out of my hands
It's out of my hands
It's out of my hands
