

# Prototype

Robert Glasper

I hope that you're the one  
If not, you are the prototype  
We'll tiptoe towards the sun  
And do things I know you like

I think I'm in love again  
I think I'm in love again

Today must be my lucky day  
Baby, you are the prototype  
Might do something out of the ordinary like catch a matinee  
Oh, you are the prototype

Oh, I think I'm in love again

I think I'm in love again

If we happen to part  
Lord knows I don't want that  
But we can't be mad at God  
We're meant to be for a reason

I think I'm on the right track, I'm in love again

I think I'm in love again  
Ooh, ooh
