

# Somebody Else

Robert Glasper

I've got a new church, new preacher  
Every Sunday, I pray for amnesia  
Smoke different cigarettes  
I got a new address  
I'm waiting on a big procedure  
I need a new heart too doctor  
Don't care how much it costs  
You just gotta help me stop the hurtin  
Help me be a different person

If I'm somebody else  
It never happened to me

If I'm somebody else  
It never happened to me

If I'm somebody else  
It never happened to me

If I'm somebody else  
It never happened to me

I'm moving to a brand new country  
Say goodbye to everyone that loved me  
I'll lie about my age  
I'll lie about my name  
I'm making up a brand new story  
Oh, I'm feeling like a big bad liar  
But I gotta throw the pain to the fire  
Every day I'm busy working on how to be a different person

If I'm somebody else  
It never happened to me

If I'm somebody else  
It never happened to me

If I'm somebody else  
It never happened to me

If I'm somebody else  
It never happened to me

If I'm somebody else  
It never happened to me

If I'm somebody else  
It never happened to me

If I'm somebody else  
It never happened to me

If I'm somebody else  
It never happened to me

(Somebody, somebody else) to the end
