

# What Are We Doing

Robert Glasper

Do you remember when it was  
All about the feelings in the heart  
When did this love become so dark  
So left field, so bizarre

Only sure would be nice just to hear you be honest  
Nothing but raw emotion is what I'm wanting  
It's like you're ain't coming from the heart  
Are we lost, where's the spark  
I wanna know

If what we say is in the soul  
And the soul makes up who we are  
And if we don't speak from the heart  
What are we doing, what are we doing  
If what we got is true love  
And love is all we need  
And if we don't say what we mean  
What are we doing, what are we doing  
What are we doing  
What are we doing  
What are we doing  
What are we doing

Someone told me back in the day  
Without passion it's all in vain  
I recall my mama used to say  
Without hard work the love will fail

Sure would be nice to get chills just like I used to  
Lost in your touch so caught up like its voodoo  
We can work it out cause all it takes  
Is a man (like you) and a woman (like me)  
To cooperate

If what we say is in the soul  
And the soul makes up who we are  
And if we don't speak from the heart  
What are we doing, what are we doing  
If what we got is true love  
And love is all we need  
And if we don't say what we mean  
What are we doing, what are we doing  
What are we doing  
What are we doing  
What are we doing  
What are we doing

Where do we go from here  
Where do we go from here

If what we say is in the soul

And the soul makes up who we are  
And if we don't speak from the heart  
What are we doing, what are we doing  
If what we got is true love  
And love is all we need  
And if we don't say what we mean  
What are we doing, what are we doing  
What are we doing  
What are we doing  
What are we doing  
What are we doing
