

# Tonight

Robert Goulet

Tonight, tonight, won't be just any night  
Tonight there will be no morning star  
Tonight, tonight, I'll see my love tonight  
And for us, stars will stop where they are

Today, the minutes seem like hours  
The hours go so slowly  
And still the sky is light  
Oh moon, grow bright  
And make this endless day endless night  
Tonight

Tonight, tonight, the world is full of light  
With suns and moons all over the place  
Tonight, tonight, the world is wild and bright  
Going mad, shooting sparks into space

Today, the world was just an address  
A place for me to live in  
No better than our right  
But here you are  
And what was just a world is a star  
Tonight
