Be My Lover

Robert Grace

Ohh ohh ohh ohh
Ohh ohh ohh ohh

How's it feel on the other side?
Any dreams of a lesser kind
Any thoughts on when you're like to be my new best friend?

Been away for a little while
But I missed your crooked smile
And I never thought twice
'Bout leaving everything behind

If it's time for a part two
Will you follow it through?
Quit the games now honey
Time to see the signs

I want you endlessly
I've been all over and never ever found someone
That makes me feel like I'm frozen in time
Ohh won't you be my lover?

I see your eyes as they cross mine
White stars filled with the lies from the last time
Remember when you said "love only hurts when the truth is dead"

Well this is truth that I'm speaking
Jump right in and let the memories sink in
And if you feel it just right
I can take you home with me tonight

If it's time for a part two
Will you follow it through?
Quit the games now honey
Time to see the signs

I want you endlessly
I've been all over and never ever found someone
That makes me feel like I'm frozen in time
Ohh won't you be my lover?

Ohh ohh ohh ohh
Ohh ohh ohh ohh
Be my lover
Be mine
Be mine
Be mine
Be my lover

I want you endlessly
I've been all over and never ever found someone
That makes me feel like I'm frozen in time
Ohh won't you be my lover?
