Deep End

Robert Grace

Don't need your therapy, I've got my medicine
I'll down this bottle, maybe I might just forget it then
'Cause I'm just too afraid to turn back through those pages
In case I see something, I tried my best just to forget someone

No, I just can't do it right now
No, I just can't do it right now

No, I'm not dumb, course I see it
But I can't deal with this feeling yet
Don't waste your help on the hopeless
I'm too broken to figure it out

'Cause I'm down in the deep, down in the deep end
You're down in the deep, down in the deep
You know my heart's so weak, down in the deep
Oh, if I ever make it out, I'm sure I'll come around, but for n

No, I just can't do it right now
No, I just can't do it right now

Maybe I don't wanna feel better
I need this pain, fuck that really sounds insane
I cry alone in the dark, throw my phone out the car
Nobody knows where you are tonight, so don't get lost

Down in the deep, down in the deep end
You're down in the deep, down in the deep
You know my heart's so weak, down in the deep
Oh, if I ever make it out, I'm sure I'll come around

But I'm down in the deep, down in the deep end
You're down in the deep, down in the deep
You know my heart's so weak, down in the deep
Oh, if I ever make it out, I'm sure I'll come around
