

Hate Me

Robert Grace

Can't sleep 'cause of something that you said
Yeah the lines keep playing, getting louder in my head
Another night spent wishing that I found somebody else
Another bad decision, why do I do this to myself oh

Here we go again
Another nightmare
Let's just play pretend
Like I don't get scared
You are not my friend
You're not my friend
Fuck your sorrys yeah
'Cause this is the end
Wait

I bet you hate me
But I hate you more
You left my heart in pieces on your bedroom floor
You tried to change me
Put me under your control
Well this is fuck you goodbye
Yeah I won't let you ruin my life

Fuck you goodbye
Yeah I won't let you ruin my life
Fuck you goodbye
Yeah I won't let you ruin my life

I just want to forget about all the times that you sat there
Fucking up the pieces of my mind
'Cause I don't wanna be the one
That your scars are always leaning on
Just a puppet you can string along ah
Every time I see you coming

Here we go again
Another nightmare
Let's just play pretend
Like I don't get scared
You are not my friend
You're not my friend
Fuck your sorrys yeah
'Cause this is the end
Wait

I bet you hate me
But I hate you more
You left my heart in pieces on your bedroom floor
You tried to change me
Put me under your control
Well this is fuck you goodbye
Yeah I won't let you ruin my life

Fuck you goodbye
Yeah I won't let you ruin my life
Fuck you goodbye
Yeah I won't let you ruin my life

Hate me but I hate you more
I bet you hate me but I hate you more
You call me crazy
For walking out that fucking door
I bet you hate me but I hate you more

I bet you hate me
But I hate you more
You left my heart in pieces on your bedroom floor
You tried to change me
Put me under your control
Well this is fuck you goodbye
Yeah I won't let you ruin my life

(No I won't no I won't no)
Fuck you goodbye
Yeah I won't let you ruin my life
(No I won't no I won't no)
Fuck you goodbye
Yeah I won't let you ruin my life
