

# Need You Back

Robert Grace

You  
You know I never meant to hurt you, babe  
And I know it's not fair  
All you ever did was love me

Oh, but I was too young to know what I had, yeah  
And I was too dumb to understand it  
And now I feel numb 'cause you're with someone new  
And I don't know what to do

'Cause every time I hear your voice  
I wish I made a different choice  
I know I messed it up before  
But I just can't take it anymore  
'Cause every time I see you out  
My heart just wants to scream and shout  
I know I messed it up before  
But I just can't take it anymore  
I need you back

You  
You know you made me feel so damn good (so damn good)  
And I don't really care if I (If I)  
Make a stupid little song  
Trying to right all the wrongs I made back

When I was too young to know what I had, yeah  
And I was too dumb to understand it  
And now I feel numb 'cause you're with someone new  
Oh and I don't know what to do

'Cause every time I hear your voice  
I wish I made a different choice  
I know I messed it up before  
But I just can't take it anymore  
'Cause every time I see you out  
My heart just wants to scream and shout  
I know I messed it up before  
But I just can't take it anymore  
I need you back (I need you)

You know I need you back (I need you, I need you)  
I need you back, I need you back (I need you, I need you)  
I need you back (I need you, I need you)  
(I need you)

'Cause every time I see you out (I need you, I need you)  
My heart just wants to scream and shout (I need you, I need you)  
I know I messed it up before (I need you, I need you)  
But I just can't take it anymore (I need you)  
I need you back
