

# Not OK

Robert Grace

They say I'm not okay

I'm not okay

Okay, I got it

Is it getting harder to breathe

When I'm mixing drinks with my anxiety

I'm oblivious

People just talk over me

Caught up in a lifestyle, everybody's

So serious

Keep doing the same

I like getting high yeah, and going down in flames, oh

Don't gimme no cape

'Cause I don't wanna fly

No, I don't wanna fly

Sorry, can you please repeat the question?

I'm broke and I never pay attention

Sometimes I wanna run

But no matter where I run I just run into everyone and

They say I'm not okay

I'm not okay

Okay, I got it

Same story different day

But everyday

I say I'm sorry

Is it ever gonna go my way, way?

Ever gonna go my way?

They say I'm not okay

But it's okay

That's how I want it

Monsters following me

Hiding in the walls of my mind, I can't sleep

Wanna be alone

I'm my own worst enemy

Keep 'em all close 'cause I need the company

Yeah, even though

I keep saying Imma change

Then I get high and I do it all again, oh

And we're the only ones to blame

Yeah me, myself and I

Yeah me, myself and I

They say I'm not okay

I'm not okay

Okay, I got it

Same story different day

But everyday

I say I'm sorry

Is it ever gonna go my way, way?

Ever gonna go my way?

They say I'm not okay

But it's okay

That's how I want it

Sorry, can you please repeat the question?  
I'm broke and I never pay attention  
Sometimes I wanna run  
But no matter where I run I just run into everyone and

They say I'm not okay  
I'm not okay  
Okay, I got it  
Same story different day  
But everyday  
I say I'm sorry

They say I'm not okay  
I'm not okay  
Okay, I got it  
Same story different day  
But everyday  
I say I'm sorry  
Is it ever gonna go my way, way?  
Ever gonna go my way?  
They say I'm not okay  
But it's okay  
That's how I want it

I'm not okay

They say I'm not okay  
But it's okay  
That's how I want it
