

Liars Dance

Robert Plant

Far four winds blow
There's trouble and it won't go
I'd really like to help you but you know
Truth twist - liars dance
Money, money - greed, chance
Let's take a little more before we go
Cause we won't be back again
No we won't be back again

Trees cry - men bow
Kneel before the fatted cow
Let's take a little moo before we go
We won't be back again
No we won't be back again
Oh we won't be back again

Tell me Jesus what to do
A little time for me, and none for you
Just leave it to the lady who's sure
She won't be back again
I know she won't be back again
I'm sure she won't be back again
Oh she won't be back again
