

My Heart Would Know

Robert Plant

I could say it's over now
That I was glad to see you go
I could hate you for the way I'm feeling
My lips could tell a lie, but my heart would know

It's a sin to make me cry
When you know I love you so
I could tell my heart that I don't miss you
My lips could tell a lie, but my heart would know

I could give you all the blame
But I'm sure the truth would show
I could tell this world I've found a new love
My lips could tell a lie, but my heart would know

I can't fool my crying heart
'Cause it knows I need you so
I could tell my heart I'm glad we parted
My lips could tell a lie, but my heart would know
