

Don't Get Me Started

Robert Tepper

Don't get me started
Don't get me started

Baby wants to bleed me
Feed me like a nurse
She looks at me like a dog come out of the rain
We only walking on the danger line
And they say she's just a one of a kind
But I believe she's a little bit inside

I got a feeling
Baby, this ain't right
We're gonna make this
One more crazy night

Don't, don't
Don't get me
Don't, don't
Don't get me started
With this blind ambition
I ain't got but one condition
Don't get me started
Don't get me started

You know the woman wants to break me down
She wants to glue me to the ground
She wants to sit real hard upon my leg
She's seeing through all my walls
She's screening through all my calls
I believe she's a-driving me insane

Well, all around me
I see the danger signs
I got your message
Baby, it's a fine line

Don't, don't, don't
Don't get me
Don't, don't, don't
Don't get me started
With this blind ambition
I ain't got but one condition
Don't get me started
(Don't you get me started, started)
Don't get me started
(Don't you get me started, started)
Don't get me started
(Don't you get me, don't you get me)

Don't, don't, don't
Don't get me
Don't, don't, don't
Don't get me started
With this blind ambition
(Don't you get me)
I ain't got but one condition
(Don't you get me)

Free me from this indicision

(Don't you get me started, started)

Don't get me started

(Don't you get me, don't you get me)

(Don't you get me started, started)

Don't get me started

(Don't you get me, don't you get me)

No

(Don't you get me started, started)

I ain't got but one condition, baby

(Don't you get me started, started)

(Don't you get me started, started)

Don't get me started

(Don't you get me started, started)

Don't, don't, don't, don't

(Don't you get me started, started)

Don't get me started

Don't get me started, girl

You better don't get me started

(Don't get me started)

(Don't you get me started, started)
