

# Fighting For You

Robert Tepper

I hear your voice shaking  
I hear your heart breaking, baby  
I know it's getting to be  
A little too much for you  
Living in this heartless town  
Trying to keep our devils down now  
Oh believe me I know  
The hell you're going through

I keep on, I keep on fighting for you  
No matter what you say  
No matter what you do  
If it all breaks down  
Baby, see me through  
I keep fighting for you, yeah

Life can seem a cruel mistake  
When every move you make hurts you  
And you're so hooked to a dream  
You can bust at the seams everyday  
Oh yeah, you got a cross to bear  
But it won't get you anywhere, baby  
Don't you think  
There's got to be some other way? Oh yeah

I keep on, I keep on fighting for you  
No matter what you say  
No matter what you do  
If it all breaks down  
Baby, hard and true  
I keep fighting for you  
Like a demon in love  
I keep fighting for you  
I can't tell you enough  
If it all breaks down  
Baby, hard and true  
Fighting for you

Yeah  
I keep on, I keep on fighting for you  
No matter what you say  
No matter what you do  
If it all breaks down  
Baby, see me through  
I keep fighting for you

I keep on, I keep on fighting for you  
No matter what you say  
No matter what you do  
If it all breaks down  
If it all breaks down  
If it all breaks down  
Baby, see me through

I'm fighting for you  
I'm fighting for you  
I'm fighting for you

I'm fighting for you, yeah  
I'm fighting for you  
I'm fighting for you, yeah  
I'm fighting for you  
I'm fighting for you, yeah  
I'm fighting for you  
I'm fighting for you  
I'm fighting for you
