

CP Jeebies

Robert Wyatt

Picture the scene.

"Hello, how are you?"
"Well I'm green and yellow,
Pinky blue."

Dead alternative.

"Oh then, please step right in
To our nursery.
Just pick a group
That you can relate to,
Now the grownups have gone."

After the party is
Over, my friend,
There will be nothing you can
Put your finger on.
Just a parasol.
