

Yesterday Man

Robert Wyatt

I'm her yesterday man
well my friends that's what i am
I'm her yesterday man
well my friends that's what i am
that's what i am, her yesterday man

Please tell me something have you met an angel
Someone too lovely to live on earth
Well yesterday i thought i met an angel but
she wasn't worth but she seemed to be worth

Oh, what a fool i have been
I was shure taken him

Yeah, i'm her yesterday man
well my friends that's what i am
I'm her yesterday man
well my friends that's what i am
that's what i am, her yesterday man

Get some of the good kind and some of the bad kind
Some of the others or in between
But all that i can say she is the worse kind
Well i think you know what i mean

And yet for all i say
i take the bad anyday

Now i'm her yesterday man
well my friends that's what i am
I'm her yesterday man
well my friends that's what i am
that's what i am, her yesterday man

...oh come a little closer baby don't get tell me
you gonna leave me, you leave me, i know that, i know
that...
