And I Love Him

Roberta Flack

I give him all my love That's all I do And if you saw my love You'd love him too, I love him

He gives me everything And tenderly The kiss my lover brings He brings to me and I love him

A love like ours Could never die As long as I Have you near me

Bright are the stars that shine Dark is the sky I know this love of mine Will never die and I love him

Bright are the stars that shine Dark is the sky I know this love of mine Will never die and I love him
