

God don't like ugly

Roberta Flack

I thought I was hip
Thought I was on a love trip
Stardust was in my eyes
I guess I couldn't see the signs
Thought your love would be a lasting thing
Thought you'd do right by me
But I was too blind to see

You were just using me
Taking advantage of all my love and my energy
Oh, can't you see

God don't like ugly
He's gonna make you pay
For what you done to me

I thought you were free
No ties and no responsibilities
Future was ours to live
As long as we had love to give
But then I found out you were a married man
You were the wolf I was the lamb
Oh I never will understand

How you were just using me
Taking advantage of all my love and my energy
Can't you see

God don't like ugly
It's going to make you pay
For what you done to me
