

Heaven Above Me

Roberta Flack

Ooh-ooh, every time you touch me
Ooh-ooh-ooh-ooh, every time you touch me
All the midnight shadows fade away

Heaven above me
Looking down into my eyes
Wrapping around me
God, I'm so glad you found me
I feel your embraces
Holding me in paradise
Love when you love me
Heaven is fine above me

Ooh-ooh, every time you touch me
I can feel the sun inside me start to rise
(It's rising)
Ooh-ooh-ooh-ooh, every time you touch me
All the midnight shadows fade away
Fade away

Heavenly lover
I wanna love you all night long (whoa)
Coming together
Making it last forever
Ooh-ooh, beautiful dreamer
I love you sleeping next to me
Where love is growing
Here in the afterglowing

Coming together, yeah

Heaven above me
Looking down into my eyes
Wrapping around me
God, I'm so glad you found me

You're on my mind
Ooh, all the time
(Every time you touch me)
I'm in heaven, whoa-oh...

Heaven, heaven above me
Heaven, there's a heaven above me
Heaven, there's a heaven above me
Heaven, heaven above me
Heaven, there's a heaven above me
Heaven, there's a heaven above me...
