

Let It Be Me

Roberta Flack

I bless the day I found you
I want to stay around you
And so I beg you
Let it be me

Don't, don't ever leave me lonely
Tell me you love me only
And that you'll always
Let it be me

Each time we meet love
I find complete love
But without your sweet love
What would my life be

So don't, don't take this heaven from one
If you have to cling to someone
Now and forever
Oh, let it be me

Each time, each time we meet love
I find complete love
But oh, without your sweet love
What would my life be?

Oh, don't, don't, don't take this heaven from one
If you have to cling to someone
Now and forever, now and forever, now and forever
Let it be me, yeah
