

# Let Them Talk

Roberta Flack

Let them talk  
If they want to  
Talk, don't bother me  
I want the whole wide world to know  
That I love you so

Let them whisper  
For they know not what  
What's between you and I  
And I'll keep on loving you  
Until the day I die

They're trying to break up our romance  
But they don't stand a chance  
We have a love that's so strong  
We'll be together from now onnn onn oooooonnnn

Let them gossip  
It's the devil's workshop  
True love, can make it stop  
& I want the whole wide world to know  
That I love you so

They're envious of everything we do  
BUT  
It's so wonderful  
When you love someone  
And that someone LOVE'S YOU
