

## There's Still My Joy

Roberta Flack

I brought my tree down to the shore  
The garland and the silver star  
To find my peace and grieve no more  
To heal this place inside my heart

On every branch I laid some bread  
And hungry birds filled up the sky  
They rang like bells around my head  
They sang my spirit back to life

One tiny child can change the world  
One shining light can show the way  
Through all my tears for what I've lost  
There's still my joy  
Still my joy for Christmas day

The snow comes down on empty sand  
There's tinsel moonlight on the waves  
My soul was lost but here I am  
So this must be amazing grace

One tiny child can change the world  
One shining light can show the way  
Through all my tears for what I've lost  
There's still my joy  
Still my joy for Christmas day  
There's still my joy for Christmas day
