

Why Don't You Move in with Me

Roberta Flack

Why don't you move in with me?
We could be so happy
Why don't you move in with me?
We could be a family

We both love the toughest part
And that's not what in our hearts
What's in their dirty minds
Oh baby

Evil minds think evil thoughts
And they get all over rot
'Cause they've left their love me you behind

Why don't you move in with me?
We could be so happy
Why don't you move in with me?
We could be a family

We could lay back for a while
Fix the house to suit our style
Do our natural thing
Raw vegetables and pies

Learn how I could tell a lie
Learn what makes each other cry
It could be so very nice

Why don't you move in with me?
We could be so happy
Why don't you move in with me?
We could be a family

People worry about the time
When I'm yours and you're mine
Like when we are making love
Oh baby

But that's such a minor part
When you love with all your heart
With your hand inside mine very love

Why don't you move in with me?
We could be so happy
Why don't you move in with me?
We could be a family
