

# You Are Everything

Roberta Flack

Today I saw somebody who looked just like you  
Walked like you do, I thought it was you  
And as he turned the corner I called out your name  
I felt so ashamed, it wasn't you, wasn't you

You are everything, everything is you  
You are everything, everything is you, you  
You are everything, everything is you

How can I forget when each face that I see  
Brings back memories of being with you?  
I just can't go on living life as I do, comparing each  
girl to you  
They just won't do, they're not you

And you are everything, everything is you  
You are everything, everything is you  
You are everything, everything is you  
You are everything

And something happens to me  
When it's you that I see  
When it's you that I feel  
Everything is so real, so real

You are, you are, you are  
You are, you are, you are everything  
Say that you want me and you're gonna be mine  
Say that you need me all the time  
You are, you are, you are, you are
