

Broken Wings

Robin Gibb

Oh oh oh

Like a call to arms
Be your standard barren
Those forbidden charms
Love and war is much fairer now

I'll never be afraid
Of pleasure and of pain
He never would abandon you
Upon the wind I hear you calling

No don't go
No no don't go
Mend these broken wings
No no don't go

If you bet your soul
Would you say the words
I know would change my world
My life is only new

I'll never be a saint
I'll be your mortal sin
You try and kill the flame within
And on the wind I hear you calling

No don't go
No no don't go
Mend these broken wings
No no don't go

No don't go
No no don't go
Mend these broken wings
No no don't go
No don't go
No no don't go

We are one, me and you
We are one, me and you
We are one, me and you
We are one, me and you
We are one, me and you

No don't go
No no don't go
Mend these broken wings
No no don't go
No don't go
No no don't go
Mend these broken wings
No no don't go
