

Don't Wanna Wait Forever

Robin Gibb

Aah aah, yeah yeah, aah.

I never thought I'd miss you so much.
I never thought I'd miss you enough.
To try and find a way back to you
Is somethin' that I never thought I would do.

With every little word that you say
You brighten up the darkest of days.
First time that your eyes met mine
I knew it was my time.

Every little smile that you give
Is givin' me a reason to live.
All I ever really wanted to do
Is give my heart and soul to you.

No matter, girl, when all is said and done.
You've always known that you are the only one.
Given half a chance to make you see
There could be heaven for you and me.
Oh baby.

But I don't wanna wait forever.
Can't wait no more (no more).
And I swear I've never felt this way before (never felt this way).

Gonna make it last forever (forever),
Boy, that's for sure (for sure).
I long for your tender touch.
Tell me, am I, am I asking too much?

You sit and watch the rising of the sun,
Thinkin' about things that we have done.
Think about being alone
With the only true love I've ever known.

Sweet nothings that you whisper to me,
The way you touch me so tenderly.
The brightest star in the sky bears your name.
My only wish is to hold you.

Every little smile that you give
Is givin' me a reason to live.
All I ever really wanted to do
Is give my heart and soul to you.

No matter, girl, when all is said and done
You've always known that you are the only one.
Given half a chance to make you see
There could be heaven for you and me.
Oh baby.

But I don't wanna wait forever.
Can't wait no more (can't wait no more).
And I swear I've never felt this way before (never felt this way).
Gonna make it last forever (forever),

Boy, that's for sure (baby).
I long for your tender touch.
Tell me, am I, am I asking too much?

Must I wait forever, baby? I need to know
That some day soon we will be together.
Must I wait forever?
How long for your tender touch?
Tell me, tell me, tell me baby.

But I don't wanna wait forever.
Can't wait no more.
And I swear I've never felt this way before.
Gonna make it last forever,
Boy, that's for sure.
I long for your tender touch.
Tell me, tell me..

But I don't wanna wait forever.
Can't wait no more.
And I swear I've never felt this way before (oh baby).
Gonna make it last forever,
Boy, that's for sure.
I long for your tender touch.
Tell me, tell me...

But I don't wanna wait forever.
Can't wait no more.
And I swear I've never felt this way before.
Gonna make it last forever,
Boy, that's for sure.
I long for your tender touch.
Tell me, am I, am I asking too much?
Tell me...

Yeah, am I asking too much?
Aah, am I asking too much?
