

I Am the World

Robin Gibb

True love is one thing I've been dreaming of
I give my soul to you and when I do
You are to me, the very deepest part of me
In the darkness, it's you that always shows the way
The very air I breathe
When hope is gone
You give me all the strength that I need to carry on

I am the world
I am the sky
I am the sea
I'm anything that you want me to be

When you hurt me, then I become the night time
The shadows in my eyes don't make it good
It shows this heart is not made of wood
When you stay with me then I can feel the sunlight
The love light fills my eyes
And through the tears
I feel my fears just melt away

I am the world
I am the sky
I am the sea
I'm anything that you want me to be

I am the world
I am the sky
I am the sea
I'm anything that you want me to be

I am the world
I am the sky
I am the sea
I'm anything that you want me to be
