

Behold the Lamb

Robin Mark

O Behold the Lamb,
Wounded and dying for those who crucified Him.
O Behold the Lamb, Holy Lamb of God
O Behold the Lamb,
Slain for the nations, this fallen creation
O Behold the Lamb, Holy Lamb of God

O Behold the Lamb, empty the third day the grave where my
Lord lay
O Behold the Lamb, Risen Lamb of God
Proclaim release onto the captives, and to the blind that
they shall see
For I will clothe in Zion all who seek my face with the
garments of praise and the
robe of righteousness
Risen King of Glory
I your servant am
Unto my Lord be the power and the Glory, O Behold the
Lamb

O Behold the Lamb, Coming in glory the Nations before You
O Behold the Lamb, Conquering Lamb of God
Open the gates of the strongholds, the King of Glory
enters in
Fallen fallen are you great Babylon, for the victory is
won by the power of the Son
Satan, you are vanquished, by this Son of Man,
All men and angels fall down on their faces, O Behold the
Lamb
