

# Calvary

Robin Mark

Lead me Lord, once more to Calvary  
To that hill of sacrifice that changed the world for me.  
Mercies flow from that abandoned place  
Where the weak, the poor and broken find eternal grace  
Who am I, that I this love receive?  
Who is He, with mercies ever free?

No remains of robe or cruel crown  
Even cross and nails have faded with the blood stained ground  
Earth and clay, in death could not contain,  
Author of the life eternal, when You rose again  
Elohim, Yeshua, Adonai,  
Jesus Christ the Lord and God of all

Lead me Lord, once more to Calvary  
To that hill of sacrifice that changed the world for me.
