

For You Have Been Given

Robin Mark

Let everything that has breath come praise the Lord
Let everything that has breath come praise the Lord
For constant are your works and ways
Worthy are you of our praise
Let everything that has breath come praise the Lord
Let everything that has breath come praise the Lord
Jesus there's no other name
Worthy of our highest praise

For you have been given
The name above all other names
Earth and heaven
United in a song of praise to you

As sure as the ocean rushes to the shore
As sure as the ocean rushes to the shore
Lord Jesus may your spirit move
And reach our hearts with your great love
Wave after wave will come
And wash away all doubt and fear
Orphaned daughters, sons
Will find their father's love once more

For you have been given
The name above all other names
Earth and heaven
United in a song of praise to you
song of praise to you
