

## God of Grace and Holiness

Robin Mark

God of grace and holiness  
Heaven's mighty King  
Yet You choose to be enthroned  
On praises that we bring  
You gave Your son of righteousness  
No spot or blemish he  
Yet bruised and scarred and wounded were  
The hands that lifted me

Hallelujah our God saves  
Hallelujah our God saves

Father to the fatherless  
Refuge for the lost  
Saviour of this guilty world  
By sacrificial love  
The name above all other names  
The only Prince of peace  
God of grace and holiness  
Be enthroned in me

Hallelujah our God saves  
Hallelujah our God saves

Glorious things are said of you  
Your mercy and your love is new each day  
And once our ears had heard of you  
But now in truth we see you face to face

God of grace and holiness  
Your strength will never fail  
Your promises remain secure  
Through every passing day  
Your love is higher than the sky  
And deeper than the sea  
God of grace and holiness  
Be enthroned in me

Hallelujah our God saves  
Hallelujah our God saves
