

Rend the Heavens

Robin Mark

This day we call upon the living Lord
And seek Your mercy and Your grace
How we as a nation have turned our face away from You
And followed other ways
May we see You as You are
Manifested glorious power Lord Jesus

Rend the Heavens and come down
In Your majesty come down
In Your mercy Lord come down upon us
Clothe Yourself in robes of grace
You are welcome in this place
Where the saints are gathered for Your worship Lord

Not for our gain but for the glory of Your name
We gather round Your throne
In humble adoration plead for this generation
Jesus let Your name be known

May they see You as You are
Manifested glorious power
Lord Jesus
