

# Abracadabra

Robin McKelle

I heat up, I can't cool down  
You got me spinnin'  
round and round  
round and round and round it goes  
Where it stops nobody knows

Every time you call my name  
I heat up like a burnin' flame  
Burnin' flame full of desire  
Kiss me baby, le me fire get higher

Abracadabra  
I want ot reach out and grab ya  
Abracadabra  
Abracadabra

I want to reach out and grab ya  
Abracadabra  
I want to reach out and grab you

You make me hot, you make me sigh  
You make me laugh, babe you make me cry  
Keep me burnin' for your love  
With the touch of a velvet glove

I see magic in your eyes  
I hear the magic in your sighs  
Just when I think I'm gonna get away  
I hear those words that you always say

Abracadabra  
I want to reach out and grab ya  
Abracadabra  
Abracadabra

Abracadabra  
I want to reach out and grab ya  
Abracadabra  
Abracadabra
