

I Want to Be Loved

Robin McKelle

I want to be loved with inspiration,
I want to be loved starting tonight.
Instead of merely holding conversation
Hold me tight!

I want to be loved, I crave affection,
Those kisses of yours, I'd gladly share,
I want your eyes to shine in my direction.
Oh, baby, make me care!

I want the kind of romance that should be strong
And equally as tender.
I only ask for the chance to know the meaning
Of the word "surrender", "surrender" , "surrender"

I want to be thrilled by only you, dear,
I want to be thrilled by your caress.
I want to find each dream of mine come true, dear
I want to be loved!

I want the kind of romance that should be strong
And equally as tender.
I only ask for the chance to know the meaning
Of the word "surrender", "surrender" , "surrender"

I want to be thrilled by only you, dear,
I want to be thrilled by your caress.
I want to find each dream of mine come true, dear
I want to be loved!
I want to be loved!
I need to be loved
I want to be loved!
I need to be loved
I need to be loved
I want to be loved!
