

# Sucker For That Love

Robin Packalen

You're calling me up  
In the middle of the night  
Asking for love  
And if you can come inside  
I already know just how it'll go  
If I open up the door  
Oh no, yeah

I know you're gonna let your body do all the talking  
Until you get me right where you want  
Baby, if I let you in, I know I'll be falling  
And I'm just gonna sit back and watch

How you love me like an angel  
My heart between your teeth  
Oh, you got my attention  
'Cause I'm a sucker for that  
Love me like an angel  
Now you got what you need  
I'm dancing on your heartbeat  
I'm a sucker for that love (Hm)  
I'm a sucker for that love

You're calling me up  
Just the way you've done before  
Asking for love  
But only when you're bored  
I already know just how it'll go  
When I open up the door  
Oh no, oh no, oh no

I know you're gonna let your body do all the talking  
Until you get me right where you want  
Baby, if I let you in, I know I'll be falling  
And I'm just gonna sit back and watch

How you love me like an angel  
My heart between your teeth  
Oh, you got my attention  
'Cause I'm a sucker for that  
Love me like an angel  
Now you got what you need  
I'm dancing on your heartbeat  
I'm a sucker for that love (For that love)  
(I'm a sucker for that love)  
I'm a sucker for that love  
(Ooh, sucker for that love)  
(I'm a sucker for that love, baby) I'm a sucker for that love

Come and break my heart  
You know I'll never get enough  
Boy, you got my body so addicted to your touch  
So come and break my heart  
And show me how, baby, how, yeah

Oh, you love me like an angel (Like an angel)  
My heart between your teeth (Yeah)

Oh, you got my attention (You got my attention)  
'Cause I'm a sucker for that  
Love me like an angel  
Now you got what you need (You know what you need)  
I'm dancing on your heartbeat  
I'm a sucker for that love  
(I'm dancing on your heartbeat, baby)  
I'm a sucker for that love  
I'm a sucker for that love (Ooh-ooh)  
I'm a sucker for that love (That love)  
I'm a sucker for that love  
I'm a sucker for that love
