

# Break for You

Robin Schulz

If you have the key to us  
Would you let it go and lock it up?  
And if you have my heart and lungs  
Would you pray for me and pour my blood?

'Cause you holding me is heaven-like, like  
While life for me is terrified  
I'm a prisoner in paradise-dise  
[?] high

You take one look at me and now you made my heart rush  
Left in ten thousand pieces of the person I was  
You wrapped our all problem feelings, now I'm torn and defeated  
I beat and break for you

I beat and break, I beat and break for you  
I beat and break, I beat and break for you  
I beat and break, I beat and break for you  
I beat and break, I beat and break for you  
I beat and break, I beat and break for you  
I beat and break, I beat and break for you  
I beat and break, I beat and break for you  
I beat and break, I beat and break for you

If we kissed in the pouring rain  
Would you shelter me and keep me safe?  
And if I hurt you and did you wrong  
Would you take me back with open arms?

'Cause you holding me is heaven-like, like  
While life for me is terrified  
I'm a prisoner in paradise-dise  
[?] high

You take one look at me and now you made my heart rush  
Left in ten thousand pieces of the person I was  
You wrapped our all problem feelings, now I'm torn and defeated  
I beat and break for you

I used to be steady and strong, now look what you've done  
You kicked my feet from under me with your love  
You wrapped our all problem feelings, now I'm torn and defeated  
I beat and break for you

I beat and break, I beat and break for you  
I beat and break, I beat and break for you  
I beat and break, I beat and break for you  
I beat and break, I beat and break for you
