

On Repeat

Robin Schulz

Live the life you wanna live
Spend the same day on repeat, on repeat, on repeat, on repeat
Would you be [?] from me
Spend the same day on repeat, on repeat, on repeat, on repeat
Keep on floating through a dream
If this is who you wanna be, wanna be, wanna be, wanna be
Wanna be [?] [fantasy?]
On the run from something real, something real, something real

On repeat

On repeat
On repeat
On repeat

But it's you again
Who's always wanted me
What do we gain?
But it's you again
Who's always wanted me
What do we gain?

Live the life you wanna live
Spend the same day on repeat, on repeat, on repeat, on repeat
Would you be [?] from me
Spend the same day on repeat, on repeat, on repeat, on repeat

On repeat

On repeat

Live the life you wanna live

Would you be [?] from me
Spend the same day on repeat, on repeat, on repeat, on repeat
