

Pingpong & Robin Schulz - Snowflakes

Robin Schulz

Feeling like I know the words
Of a song I haven't wrote
A song of love, A song of hope
A song that guides me down this road

Feeling like I know the words
Of a song I haven't wrote
A song of love, A song of hope
A song that guides me down this road

A snowflake falls onto my cheek
As I awake from this distant sleep
I stand all dazed as I look around
What's this place that I have found?
