

Beautiful

Robin Thicke

Oh
Oh, Oh (Shu bop, shu bop, ooh-oooh-oooh-oooh)
(Ooh-oooh-oooh-oooh-oooh-oooh)

Woo-oooh, cities burning
Skies fall
Like the end of days is near (Shu bop, shu bop)
So much loss and suffering
I don't know what to do with this pain I'm in (Oh, oh)

So hold on a little tighter, Ooh
Leave the world a little lighter, babe
Make the bad all go away

Sometimes life's too much for me to take (Shu bop, shu bop)
Sometimes my heart only wants to ache (Shu bop, shu bop)
I look in your eyes, your smile reminds me what love's about (Ah-ah)
Let's tear it down, down, down, all the way down (Ah-ah, ooh-oooh)

Make something
Build a new foundation
Liberation
No time to vacation
Can't be complacent

Storm is raging
I can't catch a wave in
I'm tryna be patient
I can't keep on, can't keep on waiting, Oh-oh-oh-oh

And my soul feels like crying, woo
And the drama keeps piling up
In a war that never ends

Sometimes life's too much for me to take (Shu bop, shu bop)
Sometimes my heart only wants to ache (Shu bop, shu bop)
I look in your eyes, your smile reminds me what love's about, Ooh-oooh (Ah-ah)
Let's tear it down, down, down, all the way down (Ah-ah, ooh-oooh)

Make something (Shu bop, shu bop)
Beautiful (My beautiful)
Beautiful (Shu bop, shu bop, my beautiful)
Beautiful (Shu bop, shu bop, my beautiful)
Beautiful (Shu bop, shu bop, my beautiful)

Can I hold you a little tighter, babe? Ooh
Make the sun shine a little brighter, baby?
Make the bad all go away

Sometimes life's too much for me to take, Ooh (Shu bop, shu bop)
Sometimes my heart only wants to ache (Shu bop, shu bop)
I look in your eyes, your smile reminds me what love's about, Oh (Ah-ah, ah-ah)
Let's tear it down, down, down, all the way down (Ah-ah, ooh-oooh)

And make something (Shu bop, shu bop)

Beautiful (My beautiful)
Beautiful (Shu bop, shu bop, my beautiful)
Beautiful (Shu bop, shu bop, my beautiful)
Beautiful (Shu bop, shu bop, my beautiful)

Shu bop, shu bop
Ooh
Beautiful (Oh, oh)
Beautiful (Shu bop, shu bop)
Beautiful

Shu bop, shu bop
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh-ooh-ooh (Shu bop, shu bop)
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh-ooh-ooh-ooh
Shu bop, shu bop
