

Bitter Sweet

Robin Thicke

It's not perfect, but it's alright
'Cause you're who I love at the end of the night
The days go by, but I can't let go
And I try to escape this thing called love
It's a bitter sweet story of love
It's a bitter sweet story of love

What it is to love someone
'Cause never happy with what they've got
What it is to love someone
A sweet sad love song

I can't leave your side
I need to be needed
I need to be heard
I have to admit it
For all the wrong I've done
I can't help but let you walk all over me
Yeah you use me
But I use you too
I don't wanna know what it's like
Without you

It's not perfect, but it's alright
'Cause you're who I love at the end of the night
Our days go by, but I can't let go
And I try to escape bitter sweet thing called love

One day the sweetest song will make you smile
On Sunday the same song will make you cry
But why, I can't understand why
This bitter sweet story of love
It's a bitter sweet story of love
Bitter sweet story of love
